

THE AWARDS:

4-H Foundation Scholarships: The 4-H Foundation offers opportunities for numerous scholarships to be awarded each year. In addition to the many scholarships that are funded by our fundraisers, we are also thankful to have additional scholarships sponsored by local families and awarded by the 4-H Foundation. 2025 sponsors include the Stitt family, and the Clark family. All of these scholarships are available to high school seniors as well as returning college students. Returning college students must reapply each year with the current year's application.

Mildred Burhenne Memorial Scholarship: The Burhenne Family sponsors (1) \$1000 scholarship each year and is offered only to high school seniors pursuing a degree in the broad field of Agriculture. This scholarship must be applied for separately from the Foundation scholarships.

Yevonne Miller Memorial Scholarship: New for 2024, the Miller Family is sponsoring (1) \$1500 scholarship each year and is offered to **female** high school seniors. Preference for this award will be given to a student pursuing a career pathway in Agriculture and Environmental Systems. This award also must be applied for separately from the Foundation Scholarships.

Students that meet the qualifications are able to apply for any or all of these awards. All applications MUST be received on the current year application and filled out completely and properly to be considered. Deadline is April 1.
